Sight words have been coming home every two weeks with your child's M & M book on Monday. Please practice them nightly.

Thanks to all of you who sent in Dr. Seuss books! The students and I enjoyed reading and doing activities with them!

To-do

Practice letter sounds and sight words with your child nightly. You may also add *ch, sh, th, cl, bl, gl, fl, pl, sl* and long vowel sounds. This will strengthen their confidence in our daily lessons. Please practice recognizing and writing 1-50. Check homework folder nightly.

Your child may practice on Lalilo at any time for extra language arts practice.
