

CLASSROOM 2ND GRADE NEWSLETTER AUGUST 2024

Look What We Are Learning

MATH:

So far we have learned about addition. We have reviewed doubles, explored ways to add such as counting on, and how to add three numbers. Over the next two weeks we will be learning how to subtract, our fact families, and two-step word problems.

READING/LANGUAGE/SPELLING

We are in full swing with our new Super Kids curriculum. We will be finishing the warm up lessons this week and starting on the first workbook. We have also read Box Car Children, and will be having our first spelling test this week!

SOCIAL STUDIES

We have been learning about families and timelines. The next two weeks will focus on maps, where people live, and our communities.

SCIENCE

We will be starting Topic 2- Changing Matter. We will build a structure and learn about how matter can change.

What's New

GARDEN GROWTH

Students will be starting to work on cursive handwriting. Please encourage the use of cursive at home as well.

Reminders

Weekly spelling lists will be coming home each week so please look out for them and study.

Please continue to check folders nightly and remind fro important upcoming information.

Upcoming

- No School: Monday, Sept, 2nd
- NWEA Testing- Sept. 3rd-6th
- Grandparents Day: Sept. 13th

CLASSROOM 3RD GRADE NEWSLETTER AUGUST 2024

Look What We Are Learning

MATH:

So far we have learned about place value, rounding, and number orders. In the next two weeks we will be reviewing addition, estimating sums, adding three and four digit numbers, and reviewing different ways to solve these addition problems.

READING/LANGUAGE/SPELLING

We are in full swing with our new Phonics to Reading Curriculum. We have also read Box Car Children and will be starting our book study on Because of Winn Dixie. The class is learning how to use context clues, compare and contrast, and setting.

SOCIAL STUDIES

We have been learning about families and timelines. The next two weeks will focus on maps, where people live, and our communities.

SCIENCE

We will be starting Topic 2- Changing Matter. We will build a structure and learn about how matter can change.
