Look What We Are Learning

MATH:

We just took our test over Chapter 5 and have started Chapter 6. In this chapter the students are learning how to add 100 and 10 to numbers, We are reviewing strategies on how to mentally add these.

READING/LANGUAGE/SPELLING

We started Unit 4 in Super Kids this week. The children will have their 1st Spelling test Friday. Each Monday I will be sending a packet home with new spelling words, and they will be due back on Fridays and we will take our test.

SOCIAL STUDIES

We are diving deep into Missouri History. We will be doing small projects throughout the units learning about Mark Twain, Laura Ingalls Wilder, and other important people in Missouri History.

SCIENCE

We have been learning about changes that happen to the Earth. Whether it be fast or slow changes such as earthquakes, floods, and erosion.

What's New

GARDEN GROWTH

Please encourage nightly reading to meet our AR goals. The students have new goals to achieve before the end of the quarter. Quarter ends Dec. 20th.

Spelling words will be sent home on Monday with tests on Friday.

Reminders

Please finish each spelling packet throughout the week and return on Friday!

Please continue to check folders nightly and Remind for important upcoming information.

Upcoming

- Nov. 27th-29th: No School; Happy Thanksgiving!!
- Dec. 4th: First Reconciliation
- Dec. 19th Christmas Play
