

Copeland's Corner

September 2, 2024 Newsletter

Welcome back to school! I am so excited about this year. I am enjoying getting back into my own routine. I hope you all have established a school routine, too.

Please send your child with a school appropriate sweater/sweatshirt, to keep in their cubby, as our room can be chilly at times.

This week your child learned about Safe Touch, one of the things they covered was your child knowing your phone number. Please help your child learn your phone number. If he/she knows your phone number next month, Mrs. Marcia has promised them a treat!!!

Reading:

We have been reviewing letter sounds and words from kindergarten. Next week we will start learning the new sound of /ch/ and /sh/. We will be reading for fluency while also discussing plot, problems/solutions, and key details.

Math:

We will continue to learn about addition and subtraction using adding/subtracting stories, number sentences, and how to add/subtract vertically.

Religion:

We are learning about and reciting the Rosary. It is a very powerful and beautiful prayer.

Social Studies: We will be learning about families and communities.

Science: We will be learning about sound and sound waves.

Dates to Remember

2nd-Labor Day (no school)

13th -Grandparents' Day

20th-Progress Reports go home

"Clap your hands, all you nations; shout to God with cries of joy." Psalm 47:1
